

Nature Emphasis

Our school is blessed to have our own amazing outdoor space, and our teachers and students utilize it regularly! We enjoy lots of nature learning and the area to have even our traditional classes meet outside to read books in hammocks or memorize our Bible verses in nature. In addition to our large playground and ball field, we are excited to offer these opportunities for nature immersion:

- ✓ Hiking trails
- ✓ Sledding hill
- ✓ Chapel in the woods
- ✓ 30 acres of woods with outdoor learning spaces
- ✓ Student-created butterfly garden
- ✓ A stream in the woods for hands-on water learning
- ✓ Rope obstacle challenge course

Nature-based Field Trips

Our teachers regularly take students on a variety of beautiful and educational nature excursions, visiting such places as:

- ✓ Fernwood Botanical Garden
- ✓ Sarrett Nature Center
- ✓ Potawatomi Zoo
- ✓ Bendix Woods
- ✓ Rum Village Nature Center
- ✓ Five Pines Tubing
- ✓ Camp Au Sable
- ✓ Local farms and orchards

NAS has been selected as a Mighty Acorn school for its commitment to hands-on learning in nature and ecosystem stewardship!

Family Atmosphere

Having friends of mixed age groups is good for students. Working and playing with students of different ages and abilities--like our Reading Partners program and overlapping recess schedules--reduces cliques and isolation, creating an accepting family environment. Our weekly whole-school chapels bring our school together, and our many school-wide events help teachers and students from different classrooms to interact.

Our staff, school board, pastor, and church family are committed to providing a quality education in a **Christ-filled environment** and are ready to welcome you to our community!
